

Emirosman Murtazayev

MTH 4300/4299 Homework 0

**Instructions:** Please answer the following questions, and submit on Brightspace.

1. Have you taken, or have you received transfer credit for, CIS 3100? Please contact me *IMMEDIATELY* if you are unsure. (Also indicate if you are currently enrolled in MTH 4299.)

No

2. What is your preferred name? Also, if you like, you can give me pronunciation tips here.

Osman

3. Have you read the course policy?

Yes

4. Approximately how many times did you attend office hours last semester?

10-15 times

5. What programming languages do you have experience with prior to this week? (I assume everyone is familiar with Python, but if not, please let me know!)

Python, Javascript

6. Which Math and CS classes have you taken?

Python: Programming 1, Calculus 1 & 2

7. Are you taking this course for your major, minor, or
